

FlowCon Actuators Selection Matrix

FlowCon Part no. mm		FlowCon valve types													
		Green. 0/1/1HF/2 15-32	GreEQ 15-32	Green.3 40-50	SM 15-40 50-250		UniQ® 15-20	FIT-G 15-32 40-50		FIT 15-250	ADP 15-25	EVS 15-25	Unimizer® 15-80 100-150		T-JUST 15-25
Thermal ON/OFF															
24V	EV.0.4 FT.0.4	X						X				X			X
120V	EV.0.5 EV.0.3							X				X			X
230V	EVP.0.3 FT.0.3	X						X			X	X			
Thermal ON/OFF with end switch															
24V	EV.1.4							X				X			
230V	EV.1.3							X				X			
Thermal modulating															
24V	EV.0.2 FT.0.2	X						X				X			
Electrical 2-position															
24V	BT000S												X		
	FH			X											
	FH.1 w/failsafe			X											
	FN.0.4	X													
	FN.1.2 w/failsafe	X													
	FN.1.4 w/failsafe	X													
230V	FN.5.4							X						X	
	TT000														X
	BT200												X		
	FN.0.3	X						X							
	FNR.0.3	X													
Electrical 2-position with end switches															
24V	BT020S TT020												X		X
230V	BT220 TT320												X		X
Electrical 3-point floating															
24V	BT000S												X		
	FH			X											
	FN.0.4	X													
	FN.1.4 w/failsafe	X													
	FN.5.4							X							
230V	TT000													X	
	BT200												X		
	FN.0.3	X						X							
	FNR.0.3	X													
Electrical 3-point floating with end switches															
24V	BT020S TT020												X		X
230V	BT220 TT320												X		X
Electrical modulating															
24V	BM000S												X		
	FNP.0.2	X													
	FNR.0.2	X	X					X							
	FNR.0.2-EQ	X													
	TM000														X
Electrical modulating with end switches															
24V	BM020S TM020												X		X
Electrical modulating with feed-back signal															
24V 0(2)-10V	FH			X					X						
	FH.1 w/failsafe			X					X						
	FN.0.2	X							X						
	FN.1.2 w/failsafe	X							X						
	FN.6.2 w/failsafe							X							
24V 0(2)-10V, 0(4)-20mA or 3-point floating	FNQ.0.2		X												
24V 0(2)-10V, 0(4)-20mA, 2-position or 3-point floating	SM0001				X										
	SM0003				X	X				X					
	SM0004 w/failsafe				X	X				X					
	SM0005 BACnet				X	X				X					
	SM0006 BACnet w/failsafe				X	X				X					
Adaptor ring for thermal actuator															
Color of ring		Black						Black			Black	Black			Red
